ENLIGHTENMENT

by Tara

NOT MERE KNOWLEDGE

Enlightenment is not mere knowledge.
It is more than the words.
It is to *experience* 'That' ...
And become awake and aware in who and what you are.
All . . . that you are.
Then to be it; live it, own it,"
Or, be owned and lived by it.
Thus, to that level of Beingness you have attained,
You will be Enlightened . . .
