

A thought of the day in passing . . .

Life has been about but one thing...manifesting spirit as form . . . and further. . . Enlightenment, into living.. breathing... forms; not just for a 'small self', but for the whole Self. And that's the whole story.

ENLIGHTENMENT

by Tara

It's all God. It's all, only and always, been God being God.

(It's only our 'conscious awareness' that changes.)
