

A thought of the day in passing . . .

Belief shapes reality.

TRUTH

Everyone thinks their truth is '*the*' truth',

And, the only '*real*' truth.

Certainly more true than all the others' truth.

That's not true.

God honors, allows, all truths to be true as long as,

They are fully believed.

ENLIGHTENMENT

by Tara

"Life is a relative reality."

The Game Of Life

In order to play the game of life one must take a position on the board.

Your position has meaning only in relationship to other positions.

Your ego is this relative position.

Everyone who enters the game of life, therefore, takes one!
