

A thought of the day in passing . . .

If mind be likened to a computer, then default setting would rightly be 'The Silence' . . .
or, 'The Ground of Being'.

ENLIGHTENMENT

by Tara

SILENCE SPEAKS

The silence speaks
... in chords of feeling.
Reverberating streams of . . .
love . . . wonder . . . peace and joy.
The words of silence
...contain all knowing.
Seeing, speaking to
...the heart of things.
Resounding out to worlds unlimited.
while residing,
still,
in the heart of me.
