

## *A thought of the day in passing . . .*

### DESTINY, FATE OR HUMAN ERROR

Our attitudes . . . beliefs . . . thoughts,  
both core and profound - idle and profane,

Call up the minute by minute drama of our lives;  
the great and enduring, the simple and mundane.

Our choice in attention . . . interpretation . . . acceptance;  
Creating the next moment, setting the next scene.
