

A thought of the day in passing . . .

Is there anybody else out there?

ENLIGHTENMENT

by Tara

It is said it is not possible to know God.

This is true.
When one finally 'knows' God, one has become God,
And, one can not see ones own face.
That is why God made the world.
It is God's mirror.
And so it is with "You' and 'Other'.

"As above so below."
