

A thought of the day in passing . . .

There is only one way to live in Enlightenment
That is . . . in detachment.

If one has desires.
It must be without attachment to the results.

Or one soon loses oneself to the life of the world.
And with it goes . . . one's spiritual bliss.

AFTER ENLIGHTENMENT WHAT?

WORLDLY HAPPINESS VS SPIRITUAL BLISS

Between worldly joys and spiritual bliss
There is many a difference.

Each in its own time and place;
Not to be neglected; neither missed.

One is tied to worldly things, and with that life, it ends.
The other is eternal, and on nothing else depends.

Spiritual bliss once found, to the world one can rebound;
Strengthened of inner fiber and centered in the profound.
