AFTER ENLIGHTENMENT, WHAT?

You can enter into any game you wish; old, new, or what have you,

(As long as you remember, it's a role, and hold to what's really you.)

A thought of the day in passing . . .

*"There are only two roles; ruler or victim." **

This, as I am applying it here, refers to the taking up responsibility for one's life and self. If one doesn't stand firmly in one's center and take charge, one will be victimized by forces at large; from one's past, one's mind and emotions, others' desires and creations, whatever comes one's way . . .

** Paraphrased from a talk by Baba Ram Das, recounting the words of his Indian Guru; Neem Karoli Baba.*
