AFTER ENLIGHTENMENT, WHAT?

by Tara

COSMIC CONSCIOUSNESS

Having few qualities of my own
I gave them up, to become a reflecting pond.
Every human quality and every plight
Tried for the moment, from the inside.
As in seed form I contained them - everyone,
It was not difficult that the deed be done.
The problem was in getting out when I'd found
I'd lost myself in them, having dwelled too long.
I found each being to be a caricature of themselves,
Exploring a given, while they in it dwell.
A soul's signature, painted in time and space.
What joy, what depth, in the commonplace.

A thought of the day in passing . . .

Consider this;
Your world is the projection of your inner mind. . .
Hence, its always perfect. If we then want to make adjustments;
well, was that not the whole purpose of taking a human life?
