

*A thought of the day in passing . . .*

LIFE AND DEATH

To taste of death  
Is to appreciate life

To know it for what it is  
A pearl of great price.

## ENLIGHTENMENT

*by Tara*

God's truth must be lived. . .

Love must be given and received, subject must have an object.  
And life is for the joy of this giving and receiving, in God's perfection of '*being*'  
Through the discriminating wisdom born of the experience of . . .  
Being a 'self'.
