

## *A thought of the day in passing . . .*

Mind is like the Internet . . .

We can go on line and connect to their site when thinking of a person.

The attached feelings, more so than the message, are surest transmission and retained hard copy.

Love and benevolence, are our most efficacious software.

And on negative messages, being from ourself to ourselves . . .  
'Delete', not 'Save', is the best closing.
