ENLIGHTENMENT

by Tara

On Transcendence of Duality:

The Ultimate Transcendence of duality is union of spirit and form; God and a man.

When full God awareness and its expression, man, exist as One . . .

No longer going back and forth from form into spirit, spirit into form (as in the symbol ∞)

But, rather, becomes whole, in at-one-ment, a fully conscious self-awareness (symbol O)

Man can be said to be a God-man and his destiny fulfilled.
